HAL D. MITCHELL

Voted the Western Athletic Conference "Coach of the Year" in his second season at BYU, Hal and his staff earned the award; not only for the timely upsets in league play, but for some of the best football seen at BYU in many years.

Three years ago, at age 30, he became the youngest varsity coach in BYU history. His first season, which found him introducing the single-wing, was somewhat disappointing in Hal's own eyes. Last year the team made a marked improvement, and the future now looks very good.

A native of Los Angeles, he has spent the better part of his life either playing or coaching the game. He captained the high school, college and service teams he played on, and he has been able to cram a lot of coaching experience into his relatively brief stint in the field.

After graduation from Los Angeles High, Hal enrolled at UCLA, where he was to play three years of varsity ball under Red Sanders. Mitchell captained the Bruin squad in 1951 and was chosen first string tackle on the All-PCC selections.

Hal also saw plenty of post-season action during his senior year. He played in the East-West Shrine game, the Hula Bowl, and the College All-Star game in Chicago. He was tutored under such coaches as Bud Wilkinson of Oklahoma, Bobby Dodd of Georgia Tech, Frank Broyles of Arkansas, and Jim Lee Howell of the New York Giants.

Drafted by the Giants, Mitchell spent the better part of two seasons as a regular tackle. Howell stated that Mitchell was the most conscientious and dedicated player on the team.

As a commissioned officer in the Army, Hal was assigned to Fort Lee, Virginia. He captained the post team his first year there, then served as player-coach during the second season. In 1954 he was named the most valuable player in Army football.

Coach Mitchell began his coaching career at Mira Costa High School in Southern California, where he was line coach. He was named head coach at Hart High School in Newhall, and his team at Hart had an 11-1 record.

Mitchell first came to BYU in 1959 as freshman coach, and in two seasons he had a 7-1 record. His first year with the varsity ended at 2-8, and last fall it improved to a 4-6 mark.

Hal is married to the former Patricia Ann Armstrong, also a native of Los Angeles, and they have five children; three boys and two girls.

COACHING STAFF

CHRIS APOSTOL (Utah State '50)

Chris Apostol came to BYU in 1959 as an assistant after serving as head coach at Ogden High School, where his team won 11 straight victories in taking the Utah Class "A" football championship in 1958.

A native of Bingham, Utah, Chris was an all-around athlete and studentbody president at Bingham before enrolling at Utah State in 1946. He was a member of the Aggie varsity line for three years, then joined the Ogden H.S. staff in 1950. He was named head coach in 1953. His prep record was 44 wins, 13 losses, two ties.

EARL LINDLEY (Utah State '54)

Earl came to BYU in 1961 from Idaho Falls High School in Idaho, where he served as head football coach. A native of Wellsville, Utah, he was an all-state end at South Cache H. S. before enrolling at Utah State.

He proved to be one of the Aggie football greats, winning honors as end and halfback before graduating in 1954. He received his master's degree from USU in 1957.

Lindley joined the Edmonton Eskimos in the Canadian League, playing three years as regular with that team before leaving the game because of an injury.

CLINT WHITFIELD (UCLA '59)

Another member of the staff from UCLA is Clint Whitfield who also doubles as wrestling coach at BYU.

A native of Loma Linda, California, Clint attended Los Angeles H. S. and was the first string guard at UCLA for three seasons under Red Sanders. Clint won All-PCC honors in football, represented UCLA as heavyweight wrestler, and captained the Bruin grapplers in 1958.

Clint obtained a master's degree this summer from BYU. He coached at Oxnard H.S. in California prior to his appointment to BYU.

COACHING STAFF

JERRY DOMAN (Oregon State '59)

Youngest man on the staff, 25 year old Jerry Doman joined the Cougars in 1961. He came to Provo from Oregon State, where he was a freshman football coach.

A native of Ontario, Oregon, he was an all-state end in high school. Enrolling at OSC, he was fullback and outside linebacker as a sophomore, moved to end his junior and senior years. He was captain of the team in 1959.

GLEN TUCKETT (Utah '53)

Glen Tuckett, who came to BYU three years ago as baseball coach, coached the frosh footballers two years ago, and he currently serves as head scout.

A graduate of the University of Utah and veteran professional baseball player, Tuckett played with the Salt Lake Bees and teams in the Western International League.

He coached six years at West High School in Salt Lake City prior to coming to BYU. He is a native of Murray, Utah.

LaVELL EDWARDS (Utah State '52)

Newest member of the varsity staff is LaVell Edwards, who came to BYU in the spring of 1962 from Granite High School, Salt Lake City.

At Granite, Edwards served six years as head football coach, wrestling and golf coach.

A native of Orem, Utah, he was all-state lineman, and from 1948 to 1952 he played football at Utah State where he won all-conference honors.

Edwards is a former president of the Utah State High School Coaches Association, and is currently working on his Ph.D.

ROD KIMBALL, TRAINER

Rod Kimball has served all but one of the last 25 years as team trainer. As veteran member of the staff, he dispenses humor, wisdom and other morale-building qualities along with his physical therapy.

A native of Jordan, Utah, Rod was an outstanding athlete and student leader. He won letters in two sports at Utah State and BYU. He has traveled countless miles with the Cougars since joining the athletic staff in 1937. Rod holds a master's degree from BYU.

SINGLE WING

What ever happened to the old single-wing offense?

That question occasionally pops into the minds of a few football fans who still remember it as a popular formation of many years ago. In fact, time was when practically all of the colleges relied on the single-wing as their basic formation, and it was even used by the Pittsburgh Steelers in the NFL for a number of years.

Today only a few teams in the United States still use this formation. Only two of the major schools in the country, Brigham Young and Princeton, are now employing this type of attack.

The great strength of the single wing, traditionally, has been the running-pass option to the strong side. In my estimation there is no better way to run this type of play than from the single-wing. In fact, all football teams today, whether they be single-wing type or not, employ this type of play in their offense.

As for strong side running power, it is unequaled by any other formation.

To defense this attack, teams deterred this great running strength by overshifting their defense to the point where there were more men on the strong side than could be blocked out of the play. They also coped with the reverse and weak side attack simply by keying on the wingback, the only ball carrier that could effectively carry the ball to the weak side.

This type of defense eventually put the original type single wing out of business, and the advent of the T-formation hastened its disuse.

We at Brigham Young have held to the single-wing theory of football, sticking with the concept of the strong side running game with the run-pass option.

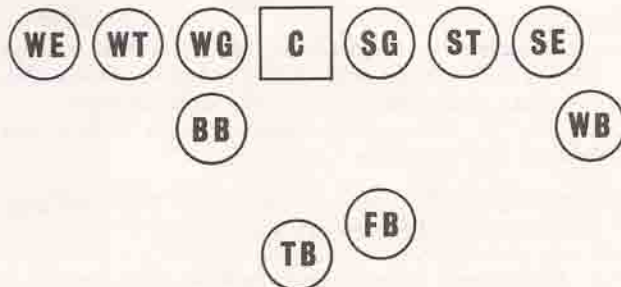

In addition we have developed a completely different kind of weak side running attack that is basically a T-formation. Consequently, we consider our offense to be single-wing to the strong side, and T-formation from the weak side.

Our blocking back, while not under the center, is in a position to receive a short snap from the center. Our weak side attack takes the hand-off, cross buck, power sweep, off tackle power, and other plays common to the T-formation.

We feel that this will solidify the defense to the weak side, allowing us to take full advantage of our strong side attack. This provides us with a great amount of versatility, and for this reason we feel it is still a great offense.

* Varsity Letters Won at BYU

OUTLOOK

The climactic finish of last fall, which was sparked by the brilliant play of the Y's first bonafide All-American, breathed new life into BYU football. During the '62 season BYU fans saw some of the best football ever played at Cougarville.

However, the question remains, can the team duplicate this kind of performance in 1963?

On paper, it must be admitted, the view is a favorable one. But championships aren't won on paper. There's always a chance one or two vital ingredients could be missing.

Actually, the Y's losses, in terms of numbers, haven't been great. The team is sure to miss the likes of All-American Eldon Fortie, who accounted for 1963 yards, nearly two-thirds of the team's total yardage. BYU will also miss two all-conference linemen, tackle Val Weenig and guard Roger DuPaix, plus center Mike Brady.

But some 25 lettermen from last year are returning, and there will be at least one letterman in every position. In addition there are better than a dozen good sophomore prospects, two or three of whom are capable of taking over starting positions.

It will be difficult for coach Hal Mitchell and the Cougars to pick up from where they left off last season because he has shuffled his playing personnel in some positions. For example, Doran Merkley, a wingback for the past two seasons, has been moved to fullback. Bill Nelson, a two-year letterman at fullback, has been switched to wingback; and Kent Nance, if he is physically able to play, will be at wingback after playing tailback and fullback.

The line should be stronger and bigger from end to end. The center spot may be lacking in experience, but the other positions, especially the tackles, are well fortified. The backs will sport pretty good depth, but the blocking back position is vulnerable.

If there is one position that seems to be the key to '63, it is the tailback spot. Fortie was the trigger for last year's offense, and the spring team wasn't the same machine without him. Phil Brady, who played behind Fortie last year, could be the answer. Sophomore Ron Stewart proved he can pass the ball in the spring game, and Doug Wardell looked good subbing for Fortie in the Wyoming game.

Even without the Phantom, fans can expect some victories in '63.

BY POSITION

ENDS—DEFINITELY STRONGER: Without any major losses from '62, this could be the strongest position on team with a total of eight lettermen. Injuries could slow Bruce Smith and Dick Wood. Both are good receivers.

TACKLES—SOMEWHAT STRONGER: Bigger and deeper, this position may lack the experience interior linemen should have. However, the likes of Carl Banker (235), Devon Stone (225), John Kawaa (235), and Paul Knoblauch (215) make this position a formidable one. Newcomers like Dennis Brewster, Monte Jones will adequately fortify.

GUARDS—ABOUT THE SAME: Depth-wise, this position should prove adequate, but it is still too early to know what to expect. There are five lettermen headed by Jay Vesterfelt, Bill Marriott, Bob Barrow, Nairne Farner and Mike Conrad. The guards are bigger, perhaps a bit slower. Sophomores Ofati Malepeai, Ed Lindquist, Doug Specht and Bill Mitton are all excellent prospects.

CENTERS—ABOUT THE SAME. If all goes as expected, this position might become a little stronger. Sophomore Glenn Shea (220), as big and strong a center as the Cougars have ever had, looks like number one, followed by lettermen John Wilson and Lynn Mullenau. Dave Mayne, a junior, also figures in three-deep.

WINGBACKS—STRONGER: Personnel changes will strengthen this spot considerably. Besides Alan Robinson (judged best all-around back on team), this position will have Bill Nelson (a two-year letterman at fullback) and, perhaps, Kent Nance (a tailback). The latter is still somewhat of a question mark as the result of an injury at the fore part of last season. Another letterman, Dion Frazier, might rejoin the club after sitting out the '62 season.

BLOCKING BACKS—ABOUT THE SAME: The return of Gordon Blackham, who missed the '62 season because of a knee injury, will offset the loss of Dick Darling. Blackham, plus letterman Mike Jacobsen, may get some help from Jim Kimmel, former end, who can also play this position. The sophomore talent remains an unknown factor.

FULLBACKS—STRONGER: In number of available candidates, this spot is the thinnest of them all. Even so it should be stronger, thanks to a pair of two-year lettermen, John Malarsie and Doran Merkley. The latter moves here from the wing-back position. A sophomore, Austin McNaughton, and a transfer, Lou Santiago,, also figure prominently in this spot. These players are big, and they are power runners.

TAILBACKS—SAME OR SLIGHTLY STRONGER: It's hard to even suggest that Eldon Fortie can be replaced. But there are many who believe Phil Brady, who played behind the Phantom last fall, can ultimately measure up to the task. Doug Wardell, who came through in the fading moments of last season, is also a candidate. Two of the better prospects are sophomores Ron Stewart and Bob Marshall.

OUTLOOK—Physically strong, the Wildcats figure as a definite improvement in 1963. Their running game seems to be better than passing attack, and there is good depth at fullback. Quarterback Doug Dusenbury may be moved to halfback, if another first string quarterback can be found. Five or six sophomores could be in the starting lineup.

OUTLOOK—A late-bloomer (winning four of last five games) last season, the Wildcats have all the earmarks of a contender this year. A total of 27 lettermen are returning, with centers, quarterbacks and fullbacks returning intact. Tackle Jerry Zeman, halfback Tom Phillips are top performers. Could be one of the better teams in the West this season.

No. 3 - MONTANA

Oct. 5 - 8 p.m. in Provo

Location Missoula (27,000)
 Enrollment 4,300

 1962 Record 5-5, Independent

OUTLOOK—Only 13 lettermen are returning, and six of these can be called veterans. The result may be a green, inexperienced team. The Montana line is in better repair than the backfield. Even though the outlook isn't too bright, Montana and the Ray Jenkins' teams have always been competitive against BYU.

No. 4 - UTAH

Oct. 12 - 8 p.m. in Salt Lake City

Location Salt Lake City (187,362)
 Enrollment 14,804
 President Dr. A. Ray Olpin

 1962 Record, Finish 4-5-1, 5th with 1-2-1

OUTLOOK—In general the Utes look to be bigger and faster this year, and their passing game should be improved. Despite the inexperience, Utah will have better overall depth this year. Much will depend on how well the junior college transfers come through. Quarterback Gary Hertzfeldt could be one of the better signal-callers in this section of the country.

 1962 Record, Finish 5-5, Tie for 2nd (2-2)

OUTLOOK—Cowboy strong point is overall experience with 29 returning lettermen. These, along with about 35 sophomore prospects, give the Pokes good support in every position but end and halfback. Generally, the outlook is very good, and the Cowboys will have to be listed with the contenders. Top player is fullback Rick Desmarais.

Knap will have 23 returning lettermen, plus a fresh supply of transfers and sophomores to augment the seasoned help. Although the Aggies' recent record (26-3-1) has been remarkable, another promising season seems in the offing. Top player is fullback Larry Campbell.

OUTLOOK—If the Colonials can put an edge on their aerial attack, and that means finding a number one quarterback, they could put together a good offense. The absences of reserve power is a problem; only 11 lettermen are returning, and as many as five sophomores could be starting. Tailback Dick Drummond figures as one of better players in the league.

Last Meeting 27-0, BYU at Provo
1962 Record, Finish 7-2-1, 1st with 2-1-1

OUTLOOK—Despite heavy graduation losses, defending champion New Mexico could repeat in the WAC, if a few problems can be solved. There are pronounced weaknesses at end and halfback where experienced help is lacking. The team will be bigger, but not quite as fast as '62. Guard Bob Bouyer, center Eddie Stokes and fullback Bucky Stallings rank among the best in the Rocky Mountain-Southwest.

PLAYER BRIEFS

WINGBACKS

10 BILL NELSON, 5-11, 180, 21, Sr., Concord Calif.—Not the sensational type, Nelson is steady, balanced ball player . . . well grounded in fundamentals, Bill blocks well, runs with authority, can play defense . . . was starting fullback as sophomore, junior . . . has been moved to wingback . . . his father was one of grid greats at Utah State . . . Bill is P. E., recreation major.

11 DION FRAZIER, 5-10, 185, 23, Sr., Carlin, Nevada—A two-year letterman, Frazier sat out the '62 campaign . . . determined to make the squad this fall . . . a shifty ball carrier, he has dangerous speed . . . no newcomer to football, he could prove real asset at wingback.

12 KENT NANCE, 195, 6-0, 20, Sophomore, Madera, Calif.—Still a big question mark for this year . . . will be considered a "bonus" if he can play . . . knee injury in first game (Pacific) last fall kept him out of action for the season . . . three operations later his playing career is still in doubt . . . earlier this year the WAC granted Kent an additional year of play.

14 BILL WYLIE, 170, 5-10, 19, Sophomore, Calgary, Alta., Canada—A newcomer who may find the going rough with varsity, Bill is one of several Canadians on BYU team this fall . . . he had some great moments as frosh and during spring practice . . . good speed and good hands . . . showing progress . . . enrolled in General College.

15 ROBERT JONES, 178, 5-10, 18, Sophomore, San Gabriel, Calif.—Another sophomore candidate, Jones is pretty fair all-around ball player with better than average know-how on defense . . . Bob was voted the most valuable player, most inspirational player awards at San Gabriel High (Calif.) . . . political science major.

17 ALAN ROBINSON, 6-0, 185, 20, Junior, Culver City, Calif.—Judged the best all-around back on the team, Robinson can play any backfield position on offense or defense . . . was called upon to do just that last fall . . . Robinson could be the Y's number one candidate for all-conference honors.

BLOCKING BACKS

20 GORDON BLACKHAM, 6-0, 200, 20, Junior, Salt Lake City—A likely starter in this position last fall, Blackham injured a knee and missed the season . . . an unheralded high school performer at West High School (SLC), he fits very well in varsity single-wing . . . he hits hard, handles the assignments with dispatch . . . TAILBACKS

41 RON STEWART, 6-3, 190, 19, Sophomore, Edmonton, Alta., Canada—At the conclusion of spring practice Ron ranked as the number two tailback . . . his main strength is a great passing arm which could, along with other tailback abilities, lead him to a great career at BYU . . . but still needs experience . . . definitely a player to watch . . . enrolled in General College.

42 PHIL BRADY, 6-2, 200, 20, Junior, Scottsdale, Arizona—Brady spent the better part of the season playing behind Fortie, but made his presence felt . . . averaged 5.3 yards rushing, completed six of 14 passes . . . Mitchell believes Phil could become one of the Y's greats . . . long-striding sprinter, and he has experience . . . was all-state q.b. at Scottsdale . . . a member of Y's track team (triple jump) . . . education major.

P.E. major.

46 ROBERT MARSHALL, 6-1, 170, 18, Sophomore, Paramount Calif.—A fine all-around athlete, Marshall had to earn spot on varsity the hard way: by beating out a host of candidates during spring practice . . . fared very well in spring game, especially with ball-carrying assignments . . . he still has some pretty good competition to beat out . . . commercial art major.

CENTERS
